

## İNGİLİZCE TESTİ

Read and answer the questions 1 - 4.

Hi! I am Bradley. I live with my mother and father and two sisters on a sheep farm in northern Australia. My mother is from France but my father is Australian. We don't live near other people so I spend a lot of time on my own, but it's fun. There is a river near my house and I have got a horse so I can ride it when I want. It's nice living here. The big city is one and a half hours away by bus.

I get up at half past six, then I have breakfast. At seven o'clock, I leave the house and walk for ten minutes to the school bus stop.

School starts at nine and ends at four o'clock. I get home at half past five. Then I help my father, ride my horse or play ball games with my sisters.

Dinner is at seven. After that, I do my homework, play computer games or watch TV with Mum and Dad. Then, I brush my teeth and go to bed at 9 o'clock.

On Saturdays and Sundays I go to the river to catch fish. I often catch barramundi. Sometimes we have barramundi for dinner. It's my favourite.
